

ENTHUSIASM FOR POOL THIS YEAR

DELEGATES TO CONVENTION AT LEXINGTON

Lincoln county tobacco growers went on record as enthusiastic for the pooling of the 1931 crop at a meeting held at the court house here Saturday afternoon, Dec. 31. They are thoroughly dissatisfied with the prices for their chief product last year brought since the failure of the Hurley Society pool and have at last decided to get into the pooling game themselves. The sentiment of most of those present was for the complete elimination of the crop in 1932, so that the supply of weed shall be re-

Five prominent Lincoln county farmers, Messrs. John H. Foster, C. E. Tate, David Adams, Sam Owens and Curtis Gorer were named as a committee to attend the conference of growers from all over the burleso district, which will be held at Lexington next Thursday, the 5th. They go unintrusted to act as they believe best for the interests of their constituents. The growers here took an advisory vote as to their sentiment on the pooling of this year's crop and cutting out next, so as to indicate to their representatives what they

A sprained ankle will usually disable the injured person for three or four weeks. This is due to lack of exercise and treatment. When a person is injured, the ankle is usually swollen and painful. The person should rest the ankle and use ice packs to reduce the swelling. The ankle should be kept elevated above the level of the heart. The person should avoid walking on the injured ankle. The ankle should be wrapped in a bandage to provide support. The person should see a doctor if the swelling does not go down or if the pain gets worse.

consider best, but not to bind them absolutely to any course. Some favored reducing the acreage of a crop from 1912 to five acres per hundred acres of farm land, per farmer, but the greatest number present favored to completely cut out the 1912 crop. The vote to pool 1911 crop carried with a whoop.

There were about three hundred of the most substantial farmers of the county present when Mr. Tate called the Lexington conference to order, which first nunched the independence pool, called it to order. He was chosen temporary chairman and Shelton Sailer, as secretary. Mr. Tate called for expressions from the growers

POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Mardin as a candidate for Circuit Judge of the Thirteenth Judicial District, at the election to be held November, 1911, subject to the action of the Demo-

The Danville Advocate had a nice little bit of its own last week because the Democratic State Executive Committee did not include a popular vote for United States Senator in the call for the state primary to be held May 27th. Now we are most heartily in favor of the people electing U. S. Senators, and while they have not the right to do so under the present law, we believe as a rule a popular primary should be held to determine the people's choice for this office. But the present case is one in which we think the State Committee did exactly right in not including the senatorship in the primary. When the opponents of Senator McCreary saw that the committee would call a primary, they made a fierce demand for a senatorial call, too. Their calculations were transparent to all but the vilest tyro in politics. They figured that with Ollie James, an avowed Johnson man, running for senator, and considering James' popularity in western Kentucky, they could easily give McCreary the double-cross between James and Johnson, or, to use a trite expression "play both ends against the middle."

Those who have heretofore been loudest in denunciation of the committee for leaving out the senatorial call have been mostly for Johnson for governor, or at least anti-McCreary, and plainly saw go glimmering their hopes of a combination in the primary by which they might overcome the tremendous strength which McCreary has with the people. They yelled first because a convention was not called, for they had relied upon some similar combinations in that to defeat McCreary. And when a primary was ordered, they saw but one hope left to defeat the people's choice for governor, and that was by forming an alliance of their gubernatorial candidate with a candidate for United States Senator.

Our good friend of the Advocate seems to have swallowed without due reflection, a goodly portion of the dope handed out by Ollie James and the anti-McCreary people at Louisville last week. We do not believe that the State Committee was controlled by any man or set of men with any purpose in view but to give the democrats of Kentucky a full and fair opportunity to register their choice for governor, without being complicated by any entangling alliances. If the candidates for senator would make a little more noise about what they are going to do to help elect the state ticket this fall and not so much fuss and playing of the baby act because they didn't get just what they wanted, the democrats of the state will be inclined to favor them, much more kindly when the time comes to consider their claims.

The Smithland Banner published in Livingston county, lets out a great "boiler" that the Standard Oil Company controlled the action of the Democratic State Committee in calling a primary to name a candidate for governor. If that is so—and we don't believe it is—the S. O. is rather more inclined to give the people what they want than many captious critics of that famous octopus have been willing to concede in the past. We would, however, call the attention of the Banner to the fact that the professional legislative lobbyist of the Standard Oil Company at Frankfort is an ardent champion of the John Ben Johnson for governor. As the S. O. political representative undeniably favors those candidates for office most friendly to his master, and as Ben Johnson wanted a convention the very worst kind, it seems to us that the discrepancy between the above statements is impossible of explanation. Guess again, Bro. Landrum.

The Interior Journal has been so torn up during the past week with moving and installation of its new press, that we are sure its friends will overlook any delinquency in this issue.

Here's something good for I. L. T. readers: The Cincinnati Post daily one year; the Interior Journal one year; and the Post's beautiful 1911 Woodland Calendar all for \$2.50. This offer is good for both new subscribers and old ones who renew. The Calendar is a beauty, while most everyone knows what a bargain it is. This is a bargain to the last.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicines dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

One of the handsomest calendars seen yet is the one sent out by The National Stockman and Farmer, of Pittsburg, Pa. It will be sent to anyone who will send 10 cents to pay package and postage.

Scott's Emulsion

is the original—has been the standard for thirty-five years.

There are thousands of so-called "just as good" Emulsions, but they are not—they are simply imitations which are never as good as the original. They are like thin milk—SCOTT'S is thick like a heavy cream.

If you want it thin, do it yourself—with water—but don't buy it thin.

Mrs. Will Severance was very painfully injured last Sunday as result of a fall while inspecting the new residence which Mr. and Mrs. Will Shanks are having erected on Logan avenue. Mrs. Severance was walking across some of the open timbers, when she slipped in some manner and in seeking to save herself from a bad fall, threw on her shoulder which caught the shock. Mrs. Severance was compelled to take to her bed as a result of the accident and will suffer for some time. Several of the leaders of her membership are said to have been so.

The Centennial fair week and corn from seed supposed to be more than 1,000 years old will be on exhibition at the show to be held at the store of Thomas J. Lindsay, in Jeter's store today. The car was raised by Mrs. Sallie Loring Marshall, who at her home east of Jeffersonville. Attached to it is a card bearing the following statement:

"Born raised by Mrs. Hardy, 1 tree pike from a grain of corn taken from the grave of a royal mummy buried over 1,000 years ago in Egypt, having been contained in the ancient manner and the corn among other things buried with it.

The car is a small one resembling the ordinary sweet corn. A few grains of yellow and red corn are mixed with the other, and it is claimed this has been caused by the pollen from other corn falling upon the stalks sown from the grain taken from the mummy grave.

Mrs. Hardy has traveled a great deal and a good part of her life was spent in Louisville. She recently built a handsome home east of Jeffersonville.

Free for Stomach and Bowels

We are in receipt of letters from Mrs. Eva Gaskins, 304 Madison St., Topeka, Kans., and Mr. P. H. Gavelas, Wagoner, Okla., as well as many others, telling about the wonderful results they have secured in the cure of their stomach and liver troubles by the use of Dr. Caldwell's Syrup Pepsin.

This remedy, as all readers doubtless know, has been before the public for a generation and is now being more extensively used than any other remedy for stomach, liver and bowel complaints. According to reliable testimony, it seems to be a very quick and lasting cure for constipation, indigestion and dyspepsia, liver trouble, biliousness, headache, sour stomach, gas on the stomach, drowsiness after eating and similar disorders. It is a liquid in the action that a child as well as a grown person can take it. In fact, it is as equal for children, women and old people.

It arouses the flow of gastric juices, and by so doing stimulates the stomach and bowel muscles to again do their work naturally, and in time medicine of all kinds can be dispensed with. A free sample bottle can be had for trial by sending your address to the doctor, for in this way Mrs. Gaskins and Mr. Gavelas and many others first turned of the cure. Later, when satisfied it is the remedy you need, do as others are doing and buy it of your druggist at fifty cents and one dollar a bottle.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 602 Caldwell building, Monticello, Ill.

TAKE CARE!

Remember that when your kidneys are affected, your life is in danger. J. Mayer, Rochester, N. Y., says: "My trouble started with a sharp shooting pain over my back, which grew worse daily. I felt sluggish and tired my kidney action was irregular and infrequent. I started using Foley's Kidney Pills. Each dose seemed to get more life and strength into me and now I am completely cured and feel better and stronger than for years."
